

*AMENDMENTS TO THE DRAWINGS*

The attached replacement sheets include changes to Figs. 1, 3, 4 and 5. Sheet 1, which includes Figs. 1 and 2, replaces the original sheet that included these same figures. Fig. 1 has been amended to add the reference numeral “32” to the top of the figure. The addition of this reference numeral to the figure is consistent with the description in the specification; therefore, no new matter is added.

Sheet 2, which includes Fig. 3, replaces the original sheet including Fig. 3. Fig. 3 has been amended to change “80” to --82-- in the drawing, to add “132” to the loop at the top of the drawing, and to change the reference numeral “132” at the bottom corner of the drawing to --136--. These changes are consistent with the specification; therefore, no new matter is added.

Sheet 3, which includes Figs. 4 and 5, replaces the original sheet including Figs. 4 and 5. Fig. 4 has been amended to add the reference “232” to the loop at the top of the tent and to change the former reference numeral “232” to --236--. This change is consistent with the specification; therefore no new matter is added.

Fig. 5 has been amended to add the reference “332” to the loop at the top of the tent and to change the former reference numeral “332” to --336--. This change is consistent with the specification; therefore no new matter is added.
